Subject: Record order of one hundred (100) Ford Trucks and Autos

R. J. Corman Railroad Group, LLC announces it has placed it's largest order for Ford pick-up trucks, many of which are expected to be built at Ford's Louisville, Kentucky plant.

R. J. Corman Railroad Group ordered 67 Ford F-150s and F-250s (4x4 & 4x2) pick-up trucks. Most of these trucks replace Ford trucks throughout R. J. Corman's operating companies with the balance required for our expansion needs. An additional order was placed for 33 Ford Tauruses, bring our total to 100 Fords.

Ford Quote: "Ford is excited to receive this order and continue our fine relationship with R. J. Corman as a Fleet partner. We look forward to being the key transportation provider to R. J. Corman for years to come!"

Brian Lively, National Account Manager
Ford Commercial Fleet Operations

RJC Quote: "These new Ford gasoline pick-ups will replace approximately one-third of our entire pick-up truck fleet and balance our diesel and gasoline usage."

Noel Rush, VP of Strategic Planning and Development
