By submitting a bid in response to this bid request you agree to follow the requirements set out by the ARRA including the following provisions:

- a. The Comptroller General and his representatives shall have the authority and rights as provided under Section 902 of the ARRA with respect to this project, which is funded with funds made available under the ARRA. Section 902 further states that nothing in this section shall be interpreted to limit or restrict in any way any existing authority of the Comptroller General.
- b. Section 1515(a) of ARRA provides authority for any representatives of an inspector general to examine any records or interview any employee or officers working on this contract. The Railroad is advised that representatives of the inspector general have the authority to examine any record and interview any employee or officer of the Railroad, its Subcontractors or other firms working on this contract. Section 1515(b) further provides that nothing in this section shall be interpreted to limit or restrict in any way any existing authority of an inspector general. This section applies to any representatives of the Inspector General appointed under section 3 or 8G of the Inspector General Act of 1978 and other government officials duly authorized by state or federal law to examine contract records and perform interviews on ARRA funded contracts.
